

# WATCHDOG **NXT60**

The Watchdog NXT60 is the smallest unit available in the NXT Series at 60 pints per day. Despite its small size, the NXT60 is an extremely efficient and effective, moisture removal tool. It can easily maintain up to 11,000 ft<sup>3</sup>. In addition, the Watchdog NXT60 includes user-friendly features, such as electronic defrost, low temperature operation, and auto-restart. The 60 is also compatible with optional upgrades including remote control, duct collar kits, and Wi-Fi remote sensor.
