

WATCHDOG **NXT85**

The WatchDog NXT85 is the second in a new series of crawlspace and basement dehumidifiers. With a capacity of 85 pints per day (80°F/60%) and a COP of 2.71 L/kWh, this unit is a performer. The NXT85 can maintain up to 15,000 ft³ but is housed in the same small package as the WatchDog NXT60. In addition, the Watchdog NXT85 includes user-friendly features such as a digital display, low-temperature operation, and auto defrost. The 85 is also compatible with optional upgrades including remote control, duct collar kits, and Wi-Fi remote sensors.
